## **Property Revaluation Resolution**

*Adopted \_\_ March 10 \_\_, 2009*

WHEREAS, Chatham County revaluated real estate values upwards during a decline in the housing market initially caused by government guarantees of subprime mortgages, we fully expect the County Commissioners to keep their promises to reduce the tax rate so that the county budget is either decreased or remains neutral for the 2009-10 fiscal year and beyond.

BE IT THEREFORE RESOLVED, that the Chatham County Republican Party opposes the 2008 real-estate revaluation and any increase in taxation when its citizens are experiencing their own decline in revenues.

BE IT FURTHER RESOLVED, that the Chatham County Republican Party endorses policies that permit county residents to keep more of their earnings as the only way of ensuring economic growth and personal liberty.
